ATHLETIC DEPARTMENT MISSION

Mosley High School is committed to excellence in athletics as part of a larger commitment to excellence and education. The guiding principle behind Mosley's participation in FHSAA athletics is our belief in its educational value for our students. Athletics promotes character traits of high value to personal development and success in later life. These include the drive to take one's talents to the highest level of performance, embracing the discipline needed to reach high standards, learning to work with others as a team in pursuit of a common goal, and adherence to codes of fairness and respect. Athletics also plays an important role in creating a sense of community here at Mosley. Win or lose, the Mosley Athletic Department will encourage student-athletes to provide a winning effort, exhibit sportsmanship, and demonstrate respect for all.
