Mosley High School Athletic Packet

This packet is for any athlete who wants to play sports at Mosley High School. The athletic packet for the 2015 – 2016 school year will be orange and will be referred to as the orange packet. The orange packet is to be turned into Josh Vandergrift (Athletic Director) or Briana Rafiyan (Student Services) at Mosley High School; the coach will get a copy of the athlete's packet for their records.

Coach Vandergrift's office hours during the summer will be from 12pm to 2pm, Tuesday and Wednesday of each week throughout the months of June and July. Once school starts it can be brought to his class in between periods or to his office between the hours of 11am – 2:30pm, Monday – Friday.

What do you need to turn in:

Freshman or First year student to Mosley

- 1. Original Birth Certificate to be photo copied
- 2. EL2 Physical, Signed by a Doctor
- 3. EL3 Parent Permission Form, Sign by Parents with Insurance Company and Policy Number listed
 - If you have medicaid or medicare or no Insurance, you need to see the Athletic Director to purchase school insurance.
- 4. EL3CH Heat and Concussion Form, both sides signed by player and parent
- 5. Athletes code of conduct signed page

Returning Players

- 1. EL2 Physical, Signed by a Doctor
- 2. EL3 Parent Permission Form, Signed by Parents with Insurance Company and

Policy Number listed

- •If you have medicaid or medicare or no Insurance, you need to see the Athletic Director to purchase school insurance.
- 3. EL3CH Heat and Concussion Form, Both sides signed by player and parent
- 4. Athletes code of conduct signed page

Mosley High School Athletes Code of Conduct

Mosley High School has an outstanding history and tradition in a variety of athletics. We would also like to remind you that participating in any of our activity programs is a privilege and with this privilege goes tremendous responsibility. Your image will reflect the perception from people of what our athletics, community, and school is all about. It is important that you use good judgment and display mature behavior at all times. You are in a leadership role and this can never be overemphasized. It does not matter whether you are a freshman or a senior, you must be a positive role model since you have the greatest impact on our programs, school and community.

As a part of the total educational program at Mosley High School, every student has an equal opportunity to participate in our athletic programs. It is the aim of our athletic department that all students who have met their educational requirements are given the opportunity to participate in the various activities offered by a very competent staff.

Mosley High School is a member of the FHSAA, (Florida High School Activities Association) and adheres to their policies and guidelines. We offer a very extensive athletic program which competes and participates in a variety of student interests. We welcome your participation in our athletic program and extend to you our assistance and best wishes for a successful experience.

ATHLETIC CODE

Participation in athletics is a privilege and not a right. Students who decide to participate shall be expected to exemplify the highest standards of sportsmanship, behavior and fair play. Students who are unable to abide by the expectations established by Mosley High School will be subject to disciplinary action. These expectations will be enforced year round from the time the student enrolls until the time they graduate.

ATHLETIC CODE AND TRAINING RULES

Eligibility

- ✓ Students who wish to participate in extra-curricular activities are expected to maintain a 2.0 GPA ("C" average) each grading period. Students who do not maintain a 2.0 GPA or who have failed one or more classes in a term must be actively engaged in school documented efforts to improve their learning performance. Lack of follow-through by the student will result in ineligibility for all extra-curricular activities until the student's GPA comes up above a 2.0.
- ✓ A student shall be eligible through age nineteen (19) unless the student shall become twenty (20) during a sport season, in which eligibility shall terminate on the first day of the sport season.
- ✓ Students wishing to participate must also have the following documentation on file in the Athletic Directors office; a physical exam (EL2), Parent Permission and insurance waiver signed by the student and his/her parents (EL3), Heat and Concussion form (EL3CH) and a signed copy of the Athletic Code of Conduct.

Athletic Code of Ethics

- Fair, hard play at all times, showing respect for opponents, officials and spectators.
- Conduct with the highest degree of character on and off the field.
- Faithful completion of schoolwork as practical evidence of commitment to school and team.
- Complete observance of all training rules and school policies.
- Give opponents the credit for their ability and the respect you would hope to receive in return.
- Be modest and considerate in victory; be gracious in defeat.
- Realize it is an honor and a privilege to represent Mosley High School.
- Realize that team success comes before individual recognition.
- Sportsmanship and competition are the primary reasons for high school athletics

ATHLETIC CODE OF CONDUCT

1. ATTENDANCE AT PRACTICE OR GAMES

✓ Athletes who are absent from school for reasons other than illness, will have their eligibility left to the discretion of the administration. Practice is mandatory unless personally excused by the coach.

2. CONDUCT UNBECOMING AN ATHLETE

✓ Athletes will not display behavior on or off the playing field which, in the opinion of the coaching staff or administration, is considered insubordinate or inappropriate to standards of conduct, attitude or sportsmanship.

Sanction

Punishment will be handled by the coach and the school Administration. The range of punishment goes from verbal warning to dismissal from the team. <u>Any conduct resulting in fines from the FHSAA will be paid by the student and he/she will not be allowed back on the field until the fines are paid to the school.</u>

3. TOBACCO/ALCOHOL/DRUGS IN ANY FORM

✓ Athletes will refrain from the use or possession of tobacco, alcohol, and the illegal use or possession of drugs, including steroids.

Sanctions

1st Offense: The athlete may be suspended from competition for one calendar year from the date the offense is reported to the Athletic Director. This may be reduced to 50% of an athletic season if the athlete successfully completes an approved substance abuse program, at the family's expense. The 50% will be based on the number of scheduled contests. In the event 50% of the season does not remain in that sport season, the balance of this suspension will carry over to the athlete's next sport season. (50% will be rounded to nearest whole number.)

2nd Offense: The athlete may no longer be allowed to compete in athletics at Mosley High School.

4. PARENT/COACH

✓ Decisions regarding team rosters, playing time, and playing positions are the prerogative of the coach. Concerns regarding athletic issues should be addressed to the coach at a scheduled meeting (not during the event or immediately after the event). If the issue cannot be resolved at the meeting, you may contact the Athletic Director.

5. HAZING

✓ Hazing by any member of athletic team is prohibited at the Mosley High School. Hazing is prohibited whenever it occurs on school premises or in connection with any athletic affiliated group or activity. Student-athletes who violate the prohibition against hazing are subject to discipline. Any criminal complaints will be reported to law enforcement.

6. SOCIAL MEDIA AND ELECTRONIC COMMUNICATIONS

- ✓ Student-Athletes are responsible for information contained in written or electronic transmissions (e.g., email) and any information posted in a public domain, e.g., internet, chat room, Twitter, Facebook, and You Tube. Student-athletes are not precluded from participation in such online social networks or cyber communities. However, student-athletes are reminded that they serve as representatives of Mosley High School and, as such, student-athletes' sites are reflective of themselves, their team, their coach, the Department of Athletics and Mosley High School.
- ✓ Inappropriate or embarrassing information or pictures will not be posted to any public domain. Displaying indiscreet or hurtful comments about student-athletes, coaches, teams, administrators and/or the Department of Athletics will not be tolerated.

7. COMMITMENT TO HIGH SCHOOL TEAM

✓ When participating in interscholastic Athletics, we expect student-athletes to attend all practices and contests during their season. Vacations are not encouraged during a sport season. Head Coaches team rules will prevail in the event of such missed practice or contests. During the sports season your high school team activities shall take precedence over all select or outside athletic programs.

A.C. MOSLEY HIGH SCHOOL ATHLETIC CODE AND TRAINING POLICIES

I HAVE READ THE ATTACHED Athletic Code of Conduct and will abide by the rules there in. I understand that a failure to abide by these rules will result in sanctions by the coach and/or the Athletic Department.

Consent and Release from Liability Certificate (Page 2 of 2)

This completed form must be kept on file by the school.

Attention Student and Parent(s)/Guardian(s)

Your school is a member of the Florida High School Athletic Association (FHSAA) and follows established rules. To be eligible to represent your school in interscholastic athletics, in an FHSAA recognized sport (i.e. bowling, competitive cheerleading, girls flag football, lacrosse, boys volleyball, water polo and girls weightlifting or sanctioned sport (i.e. baseball, basketball, cross country, tackle football, golf, soccer, fast-pitch softball, swimming & diving, tennis, track & field, girls volleyball, boys weightlifting and wrestling), the student:

- 1. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attends a charter school or Florida Virtual School Full time Program or a special/alternative school or certain small non-member private schools, the student must declare in writing his/her intention to participate in athletics to the school at which the student is permitted to participate. Home education students and students attending small non-member private schools must must be approved through the use of a separate form prior to any participation. (FHSAA Bylaw 9.2, Policy 16 and Administrative Procedure 1.)
- 2. Must attend school within 10 days of the beginning of each semester to be eligible during that semester. (FHSAA Bylaw 9.2)
- 3. Must maintain at least a cumulative 2.0 grade point average on a 4.0 unweighted scale prior to the semester in which the student wishes to participate. This GPA must include all courses taken since the student entered high school. A sixth, seventh or eighth grade student must have earned at least a 2.0 grade point average on 4.0 unweighted scale the previous semester. (FHSAA Bylaw 9.4)
- 4. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 9.4)
- 5. Must participate at the school in which the student first enrolls (attends), or at which the student first takes part in an athletic practice, at the beginning of the school year. (FHSAA Bylaw 9.2)
- 6. Must not transfer schools after the first day of practice of a sport, or otherwise the student cannot participate at the new school for the remainder of the school year. Exceptions may apply. See your school's principal/athletic director after first attending the new school. (FHSAA Bylaw 9.3)
- 7. Must not participate on a non-school team (i.e., AAU, American Legion, club setting, etc.) which is affiliated with a school or coached by a representative of a school other than the one the student attends, or has attended, and then attend that school, otherwise the student will be ineligible there for one year. (FHSAA Bylaw 9.2) Exceptions may apply. See your school's principal/athletic director after first attending the new school.
- 8. Must not transfer to a school that the student's coach has relocated to within a year, otherwise the student may be ineligible there for one year. (FHSAA Bylaw 9.3)
- 9. Must not have **enrolled in the ninth grade for the first time** more than four school years ago. If the student is a sixth, seventh or eighth grade student, the student must not participate if repeating that grade. (FHSAA Bylaw 9.5)
- 10. Must have signed permission to participate from the student's parent(s)/guardian(s) on a form (EL3) provided the school. (Bylaw 9.8)
- 11. Must be less than 19 years 9 months old to participate in high school; 16 years 9 months old to participate in junior high school; and 15 years 9 months old to participate in middle school, otherwise the student becomes ineligible to participate at that level. (FHSAA Bylaw 9.6)
- 12. Must undergo a pre-participation physical evaluation and be certified as being physically fit for participation in interscholastic athletics (form EL2). The physical evaluation is valid for 365 calendar days from the date that it was administered after which time the student must successfully undergo another physical evaluation to continue his/her participation. Parents and students must also submit a completed EL3CH which serves to address heat illness and concussion dangers. (FHSAA Bylaw 9.7)
- 13. Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating. (FHSAA Bylaw 9.9)
- 14. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Policy 26)
- 15. Must display good sportsmanship and follow the rules of competition **before**, **during and after** every contest in which the student participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 7.1)
- 16. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 9.1)
- 17. Youth exchange, other international and immigrant students must be approved by the FHSAA office prior to any participation. Exceptions may apply. See your school's principal/athletic director. (FHSAA Policy 17)
- 18. This form is non-transferable; a separate form must be completed for each different school at which a student participates.

If the student is declared or ruled ineligible due to one or more of the FHSAA rules and regulations, the student has the right to request that the school file an appeal on behalf of the student. See the principal or athletic director for information regarding this process.

Revised 12/13

Consent and Release from Liability Certificate for Concussion and Heat-Related Illness (Page 1 of 2)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

Concussion Information

What is a concussion?

Concussion is a brain injury. Concussions, as well as all other head injuries, are serious. They can be caused by a bump, a twist of the head, sudden deceleration or acceleration, a blow or jolt to the head, or by a blow to another part of the body with force transmitted to the head. You can't see a concussion, and more than 90% of all concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. All concussions are potentially serious and, if not managed properly, may result in complications including brain damage and, in rare cases, even death. Even a "ding" or a bump on the head can be serious. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, your child should be immediately removed from play, evaluated by a medical professional and cleared by a medical doctor.

What are the signs and symptoms of concussion?

Concussion symptoms may appear immediately after the injury or can take several days to appear. Studies have shown that it takes on average 10-14 days or longer for symptoms to resolve and, in rare cases or if the athlete has sustained multiple concussions, the symptoms can be prolonged. Signs and symptoms of concussion can include: (not all-inclusive)

- Vacant stare or seeing stars
- · Lack of awareness of surroundings
- Emotions out of proportion to circumstances (inappropriate crying or anger)
- · Headache or persistent headache, nausea, vomiting
- · Altered vision
- · Sensitivity to light or noise
- · Delayed verbal and motor responses
- · Disorientation, slurred or incoherent speech
- Dizziness, including light-headedness, vertigo(spinning) or loss of equilibrium (being off balance or swimming sensation)
- Decreased coordination, reaction time
- · Confusion and inability to focus attention
- Memory loss Sudden change in academic performance or drop in grades
- Irritability, depression, anxiety, sleep disturbances, easy fatigability
- In rare cases, loss of consciousness

What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with signs and symptoms of concussion should be removed from activity (play or practice) immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to sustaining another concussion. Athletes who sustain a second concussion before the symptoms of the first concussion have resolved and the brain has had a chance to heal are at risk for prolonged concussion symptoms, permanent disability and even death (called "Second Impact Syndrome" where the brain swells uncontrollably). There is also evidence that multiple concussions can lead to long-term symptoms, including early dementia.

What do I do if I suspect my child has suffered a concussion?

Any athlete suspected of suffering a concussion should be removed from the activity immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from an appropriate health-care professional (AHCP). In Florida, an appropriate health-care professional (AHCP) is defined as either a licensed physician (MD, as per Chapter 458, Florida Statutes), a licensed osteopathic physician (DO, as per Chapter 459, Florida Statutes). Close observation of the athlete should continue for several hours. You should also seek medical care and inform your child's coach if you think that your child may have a concussion. Remember, it's better to miss one game than to have your life changed forever. When in doubt, sit them out

When can my child return to play or practice?

Following physician evaluation, the *return to activity process* requires the athlete to be completely symptom free, after which time they would complete a step-wise protocol under the supervision of a licensed athletic trainer, coach or medical professional and then, receive written medical clearance of an AHCP.

For current and up-to-date information on concussions, visit http://www.cdc.gov/concussioninyouthsports/ or http://www.seeingstarsfoundation.org

Statement of Student Athlete Responsibility

I accept responsibility for reporting all injuries and illnesses to my parents, team doctor, athletic trainer, or coaches associated with my sport including any signs and symptoms of CONCUSSION. I have read and understand the above information on concussion. I will inform the supervising coach, athletic trainer or team physician immediately if I experience any of these symptoms or witness a teammate with these symptoms. Furthermore, I have been advised of the dangers of participation for myself and that of my child/ward.

Consent and Release from Liability Certificate for Concussion and Heat-Related Illness (Page 2 of 2)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

FHSAA Heat-Related Illnesses Information

People suffer heat-related illness when their bodies cannot properly cool themselves by sweating. Sweating is the body's natural air conditioning, but when a person's body temperature rises rapidly, sweating just isn't enough. Heat-related illnesses can be serious and life threatening. Very high body temperatures may damage the brain or other vital organs, and can cause disability and even death. Heat-related illnesses and deaths are preventable.

Heat Stroke is the most serious heat-related illness. It happens when the body's temperature rises quickly and the body cannot cool down. Heat Stroke can cause permanent disability and death.

Heat Exhaustion is a milder type of heat-related illness. It usually develops after a number of days in high temperature weather and not drinking enough fluids.

Heat Cramps usually affect people who sweat a lot during demanding activity. Sweating reduces the body's salt and moisture and can cause painful cramps, usually in the abdomen, arms, or legs. Heat cramps may also be a symptom of heat exhaustion.

Who's at Risk?

Those at highest risk include the elderly, the very young, people with mental illness and people with chronic diseases. However, even young and healthy individuals can succumb to heat if they participate in demanding physical activities during hot weather. Other conditions that can increase your risk for heat-related illness include obesity, fever, dehydration, poor circulation, sunburn, and prescription drug or alcohol use.
