

A.C. MOSLEY PRE-MED SUMMER DISSECTION APPLICATION 2017

The Summer Pre-Med Program is a 3-day dissection lab that is dedicated to fostering the interest of students interested in the medical field. Participating students are going into the 8th, 9th, 10th & 11th grade. The program is physician led and provides a first-rate exposure to anatomy and dissection. The Summer Pre-Med Dissection Program will include: cat dissection, sheep heart dissection, kidney, liver and digestive dissection. Also, sterile techniques and much, much more. All activities are geared toward an “insider’s look” at being a student in the medical field.
