

A.C. MOSLEY PRE-MED SUMMER DISSECTION APPLICATION 2018

The Summer Pre-Med Program is a 3-day dissection lab that is dedicated to fostering the interest of students interested in the medical field. Participating students are going into the 8th, 9th, 10th, 11th & 12th grades. The program is physician-led and provides a first-rate exposure to anatomy and dissection. The Summer Pre-Med Dissection Program will include cat dissection, sheep heart dissection, kidney, liver and digestive dissection. Also, sterile techniques and much, much more. All activities are geared toward an “insider’s look” at being a student in the medical field.
